# Glossary of Terms

Report details will vary based on the terms found in the gift instrument. If a term is not used on the report, it is not applicable for the fund.

**Previous or Related Fund:** additional funds that may have been established with the same gift instrument or where funding was received from, e.g. current funds that have been converted to an endowment.

**Fund Type:** refers to the type of account/fund established to hold gifts (also referred to as philanthropic dollars).

▶ **Current Fund:** holds gifts that are designated for current use and are not invested.

▶ **Endowment Fund:** holds gifts that are designated to last into perpetuity and are invested in the Foundation's Long Term Investment Pool (LTIP) with a percentage of the fund's fair market value made available (distributed) for spending at the start of each fiscal year.

▶ **Endowment Fund Type:**

**Pure:** invested in the LTIP, intended to last into perpetuity.

**Quasi:** invested in the LTIP, but principal may be liquidated in accordance with the terms specified in the gift instrument.

**Term:** invested in the LTIP for a specific amount of time.

**Fund Functioning as an Endowment (FFE):** funds given for current use and invested in the LTIP at the University's request. There is no change of purpose, this is simply an investment decision and subject to various considerations.

▶ **Special Fund Type:** fund that has non-standard characteristics.

**Custodial:** owned by the University and invested in the LTIP by the CU Foundation at the University's request.

**Board Designated:** owned by the CU Foundation; purpose of the fund determined by the CU Foundation Board and may change from time to time.

**Grant:** contains grant dollars, usually given as a result of a grant proposal submitted by the University to another nonprofit.

**Purpose:** donor's legally binding designation and expectation regarding the use of the gift at the time of the gift.

▶ **Capital Support:** provides funding for University infrastructure and construction, may include equipment.

▶ **Event Support:** supports an event(s), including costs associated with hosting the event(s).

▶ **Faculty Support:** provides funding for University positions and all costs related to the activities related to these positions. Can also refer to awards and recognition for outstanding faculty members.

▶ **Program Support:** provides funding for a specific program, including costs associated with maintaining and/or improving the program and associated activities and curriculum.

▶ **Staff Support:** provides funding for University staff, which includes non-faculty personnel.

▶ **Student Support:** provides funding for students enrolled in the University, which may include tuition support but may also include other expenses related to attending the University.

▶ **Unrestricted Support:** provides funding without restrictions placed by the donor.

▶ **Purpose Sub-Categories**

**Award:** recognition of accomplishment and/or appreciation, often monetary and directly to the recipient, not through Financial Aid.

**Chair:** faculty member in a department elected to provide leadership and further the academic mission of the department.

**Compensation:** usually salary, but also stipend or other form of payment.

**Competition:** event or contest in which students or faculty compete against peers in their area of studies or expertise.

**Conference/Symposium/Workshop:** costs related to hosting or attending conferences/symposium/workshop such as registration fees, transportation, meals, etc.

**Construction:** constructing a building and/or adding to an existing structure.

**Curriculum Development:** add or improve courses provided in a particular educational program.

**Deanship:** faculty member assigned to provide academic leadership and management of department faculty.

**Doctoral:** post graduate students, generally working on a PhD.

**Donor Cultivation:** costs related to donor centric activities and events.

**Emergency Support:** special funding put aside to provide student, faculty, and/or staff with financial support in times of emergencies.

**Entertainment:** costs related to activities and events related to the purchase of alcohol.

**Equipment & Materials:** items purchased to enhance the classroom or other education spaces needed to fulfill the programs activities and curriculum. Also used for Library specific funds when used for the purchase of books and related material.

**Fellowship:** recognition and support for students and/or faculty. This can include tuition, stipends, research support and/or other related expenses.

**Instruction Support:** financial support to enhance the student learning experience in and out of the classroom.

**Internship:** usually associated with a scholarship or program where a student may hold a position in exchange for experience and/or credit hours.

**Lecture/Lectureship:** series of lectures or an individual invited to speak at the University.

**Loan:** award given with the expectation of repayment (no longer offered).

**Maintenance:** ongoing costs associated with maintaining a building, classroom, etc.

**Mentoring Support:** financial support to provide mentoring services.

**Operations:** expenses associated with maintaining a program or center.

**Outreach Activities:** funding to bring services or information to any population that might not otherwise have access to those services or information.

**Post-Doc:** relating to or denoting research undertaken after the completion of doctoral research.

**Professional Development or Training:** specialized training, formal education, or advanced professional learning offered to faculty, staff or students.

**Professorship:** distinguished faculty position.

**Project Support:** financial support for a specific project.

**Publication:** financial support for printing or publishing.

**Recruitment and/or Retention:** financial support for recruiting and retaining faculty and/or staff.

**Renovation:** financial support for renovating buildings or spaces.

**Research:** program specific research activities and projects. May cover a variety of costs related to research such as equipment, student aides and visiting scholars.

**Residency:** period of advanced medical training and education that normally follows graduation from medical school.

**Scholarship:** mainly tuition-based support, generally administered by the Financial Aid Office.

**Travel:** costs related to traveling to specific events and/or scholarly trips.

**Visiting Scholar:** person who is invited from another institution (or other type of organization) to teach, lecture or perform research on a particular topic.

**Undergraduate:** supports students who are working towards a bachelor's degree.

**Graduate:** supports student(s) who have obtained a bachelor's degree and are pursuing additional education in a specific field.

**Both - Undergraduate and Graduate:** supports both undergraduate and graduate students.

**Award Criteria:** requirements specified in the gift instrument set by the donor.

► **Academic Major:** specific area of study within a larger school or college.

► **Academic Year:** student's class standing that marks their progress towards an undergraduate degree (Freshman, Sophomore, Junior, Senior).

- ▶ **Amount:** specific amount the donor wishes to provide to the recipient.
- ▶ **Demographic:** preference for a specific sector of a population (that is non-discriminating).
- ▶ **Geographic:** preference for a specific area of a state or country.
- ▶ **GPA:** specific grade point average for a scholarship recipient.
- ▶ **Merit:** refers to a preferred student's performance and/or standing at the University.
- ▶ **Need:** student's financial status in comparison to cost of attendance.
- ▶ **Selection Committee:** group of specific people that is assembled to select the scholarship/award recipients each year.
- ▶ **Renewable:** faculty position or student award may be continued for more than one year.

**Deliverable:** material or action the donor has requested in the gift instrument. Usually occurs after the gift is accepted.

- ▶ **Owner:** responsible party to fulfil expectation (CU Foundation, CU or both).
- ▶ **Type:** what is expected by the donor, e.g. report, naming or publicity.
- ▶ **Date:** date deliverable is due.
- ▶ **Frequency:** how often it is expected, e.g. annually, semi-annually, quarterly, monthly or once.

## Did You Know?

For each gift fund currently available within Financial Edge, m-Fin and Advance, information such as purpose (including award criteria), exceptions and deliverables that are found in the corresponding gift instrument have been converted into compliance data points. The Fund Purpose Report uses those data points to provide you with a comprehensive, readily available and easy to understand overview of donor intent for each gift fund.

In addition, you can conduct searches using the compliance data points to meet your needs.

If you have questions about this report or the information on this report, please reach out to [compliance@cufund.org](mailto:compliance@cufund.org).

You can find a fund's available balance on the "Allocation Financial Dashboard" report accessible via the "Allocation/Fund Search" in Advancement Intelligence / CU Data. For financial questions, contact [accounting@cufund.org](mailto:accounting@cufund.org). This document and the Fund Purpose Report training video can be found at [giving.cu.edu/fundmanager](https://giving.cu.edu/fundmanager).
